

DESIGN TEAM ASSISTANT CAD TECHNICIAN

GRM are pleased to announce that due to continued expansion and an increase in workload that there is now an opportunity for a *Design Team Assistant Technician* to join the company. The full-time role sits within the Foundation Design Team and is based in our head office in Burton on Trent, Staffordshire (DE14 2WH).

We are flexible in relation to experience and expertise, but would expect the ideal candidate to have:

- Experience in the use of computers for business purposes (e.g. Microsoft Excel) is essential.
- A willingness to learn the use of Computer Aided Design (e.g. AutoCad) and its use in the construction industry.
- Methodical and attentive working practices with good IT and communication skills.
- The ability to work as part of a multi-disciplinary team with a responsive customer focus.
- An adaptability to meet rapidly changing client priorities.

In return GRM offer a unique working environment, career progression, 4 x annual salary Life Insurance, 4-6% matched pension, payment of a professional membership, 34 days annual leave, and payment of approved overtime. Further information about GRM and what it is like to work as part of our team can be found at:
