

JOB OPPORTUNITY

GEOTECHNICAL ENGINEER

GRM are pleased to announce an opportunity for a Geotechnical Engineer to join the team at our head office in Burton on Trent. Salary from £30,000 per annum (dependent on experience).

DUTIES WILL INCLUDE (but not limited to):

- The design, supervision and management of site investigations including costing and procuring work from sub-contractors.
- Geotechnical design, particularly for slope stability, settlement, retaining structures and reinforced earth. Earthworks specification, design and supervision.
- Interpretative reporting (geotechnical and inter-related environmental).
- Line Management and mentoring of less experienced technical staff.
- Preparation of Health & Safety Documentation and assistance in the collation of all project related health and safety information.
- Attendance at site meetings and acting as a point of contact for and liaising with clients.

QUALIFICATIONS / EXPERIENCE/SKILLS:

- Minimum qualification of a degree in one of the Earth Sciences.
- A minimum of 4 years experience with at least 2 years each of geo-environmental fieldwork and geotechnical design and assessment (slope stability, settlement, retaining structures, earthworks and reinforced earth).
- Willingness to work outside at all times of year and away from home and/or unsociable hours from time to time.
- Excellent written and verbal communication skills.
- Strong interpersonal / team working skills, with a good working relationship at all levels of the organisation, clients and contractors.
- Able to deal with and preferably enjoy the challenge of rapidly changing circumstances and requests from clients.
- Ability to log soil and rock in accordance with the current British Standards.
- Understanding of relevant UK regulatory guidance.
- Experience in the use of Holebase, CAD, QGIS, Slide and Geo5 an advantage (training will be provided).
- First Aid, Asbestos Awareness and CSCS qualifications (training can be gained through GRM)
- Member of the Geological Society (or similar) and considering becoming Chartered.
- Full UK Driving License essential (Category B manual gears).
- The successful applicant **must** be able to demonstrate their right to work in the UK.

GRM OFFER

A unique working environment, an accredited training scheme towards Chartered status, 4 x annual salary Life Insurance, 4-6% matched pension contributions, payment of professional membership, 34 days annual leave, and payment of approved overtime.
