

DESIGN TEAM ASSISTANT CAD TECHNICIAN

GRM are pleased to announce that there is an opportunity for an *Assistant CAD Technician* to join the company. The full-time role sits within the Design Team based at our head office in Burton on Trent, Staffordshire (DE14 2WH).

The Assistant CAD Technician will work with the Design Team and Geologists to design and draw foundations, primarily for new residential developments, with opportunities to support the design of more complex structures.

We are flexible in relation to experience and expertise, but would expect the ideal candidate to have the following:

- Experience in the use of computers for business purposes e.g. Microsoft Excel
- A willingness to learn the use of Computer Aided Design e.g. AutoCAD and its use in the construction industry.
- Methodical and attentive working practices with good IT and communication skills.
- The ability to work as part of a multi-disciplinary team with a responsive customer focus.
- An adaptability to meet rapidly changing client priorities.

Further information on GRM, the range of services we offer, and our history and values can be found on our website www.grm-uk.com.

In return GRM offer a unique working environment, career progression, 4 x annual salary Life Insurance, 4-6% matched pension, payment of a professional membership, 34 days annual leave, and payment of approved overtime. Salary from £26,750 per annum (dependant on experience). Applications (including CV and covering letter) should be sent by email to recruitment@grm-uk.com or post to Recruitment, GRM, Laurus House, First Av., Burton upon Trent, DE14 2WH.

GRM are an equal opportunities employer.
